Dear Diner,

Welcome to The Sea, The Sea - Chelsea. We operate here as a fishmonger by day, converting to seafood bar by night. We also offer London-wide delivery via our online shop.

Today you will be served a menu that showcases the exceptional produce we pride ourselves in sourcing. We champion low-impact fishing methods from small native day boats. Much of our fish is landed specifically for us and collected directly from the boats by our own vehicles, ensuring we maintain total control of the product from sea to plate and that it gets to us within 24 hours of catch.

To support the men and women who work in often dangerous conditions at sea to bring us our produce, we will add an optional £1 per cover for the Fisherman's Mission to your bill.

Have a wonderful meal.
